I am an ordained Elder of the Western Pennsylvania Conference of the UMC in retirement status.

During 2022, I have served as the volunteer Kitchen Table Coordinator at The Table UMC. Kitchen Tables are our small group ministry at the Table which meet weekly for support and spiritual accountability. Currently we have 138 persons involved in 21 different KT's. Some groups are in-person, some are on-line, and some are hybrid groups. Currently our groups meet Sunday through Thursday at various times of the day.

My job as KT Coordinator is multi-faceted. It includes:

- **Placing persons in appropriate KT's once they have completed the Growing in Faith program with Pastors Linda and Matt.**
- **Helping persons navigate into and out of KT's as the situation dictates.**
- **Scheduling new KT's and finding leaders for them as the need arises.**
- **Enlisting and helping to train new and on-going Kitchen Table Leaders, as needed.**
- **Answering questions and helping KT Leaders find appropriate resources, as necessary.**
- **Problem solving any conflicts or issues in KT's in cooperation with the co-pastors.**
- **Maintaining the input for all Kitchen Tables, leaders and members in Planning Center, our church computer program.**
- **Pastor Linda and I meet weekly to discuss happenings and changes in KT's such as leadership changes, membership changes, new KT's forming, potential KT Leaders.**

It has been my pleasure to serve as the KT Coordinator. Due to my on-going health issues, I will be training a new coordinator(s) during 2023.
