**I am an ordained Elder of the Western Pennsylvania Conference of the UMC in retirement status, living in Sacramento, CA.**

**Amid a myriad of health issues during 2024, my active ministry efforts have been very limited. I was able to help shepherd a member of the Table UMC through her own dying process. I have been available as a willing listener for several members to navigate their own life issues.**

**I have continued to serve as a Kitchen Table leader for a Monday evening group (when medically available) and am a participant in a Wednesday morning group. I continue to nurture my own spiritual life through prayer, scripture reading, some journaling and music.**

**I have served communion several times during 2024. I have not preached during 2024; nor have I done any baptisms, weddings or funerals in 2024.**

**It is my privilege to be a part of the community of faith at The Table UMC. I feel very supported in my faith journey by the members of this church.**
